"The Mighty Panthers"

Welcome Cameronites,

As an organization, we have been blessed these twenty six years to annually sponsor and celebrate the Cameron Alumni Blue and Gold Weekend Reunion events. These annually scheduled Cameron Alumni Association, Inc. reunion events, have allowed each of us the opportunity to reunite, enjoy fellowships and more importantly stay focused on our mission and purpose, which is designed to raise funds to support the O. R. Jackson Scholarship Foundation.

Our scholarship awards records and the scholarship amounts awarded during our existence as an organization speaks volumes to our commitment to our organizations missions and purpose. The large number of former Cameron students who are not Cameron Alumni Association, Inc. Lifetime Members is appalling. Given the number of students who attended Cameron High School as well as the number of graduates from our fifteen graduating classes, generates an even greater expectation for increased Lifetime Memberships. Our hope is that those of you who are not Lifetime Members will join soon. No Cross, No Crown.

Our Cameron Faculty and Staff attempted to give and actually gave most of us a solid foundation and formula for success in life. We have successful former students and Alumni in all walks of life, who should be actively involved as members of our organization, which would definitely enhance our mission. Our organizations goal is to sponsor "Reunions with Purpose." Our organizational focus is to provide educational/financial assistance to deserving young men and women, in addition to fostering fellowship, unity and support among our membership, and to perpetuate the memory of our alma mater.

"To The School We Love So Dear,"

Charles E. Watkins, Jr. President

Oscar Robert Jackson, Sr.

Oscar Robert Jackson, Jr. was one of a kind. Oscar Robert Jackson, Sr., born on August 8, 1914, Nashville, Tennessee, was the fourth of five children of the late William and Lizzie Payton Jackson. The curtain fell on his earthly life on Sunday, May 8, 1988, at Meharry-Hubbard Hospital, after an extended illness.

He was educated in the public schools of Nashville, Tennessee, graduating from Pearl High School in 1931. His educational goals and objectives were attained through his studies at Tennessee State University where he received the B. S. Degree; North Carolina Central University, M. S. Degree; Yale University, Certificate of Alcohol Studies; Mammouth College, Diploma in Reading; and Post-Graduate work, Fisk University.

After graduating from college, he served as Dean of Men at Natchez College and Tougaloo College in Mississippi. In 1950, he returned to Nashville to teach for a year at Washington Junior High School. He served as Principal of Carter-Lawrence Elementary School from 1951 until the spring of 1958.

In the fall of 1958, Mr. Jackson became Principal of Cameron High School, which is the location now for Cameron Middle School. He served as Principal of Cameron until suffering a heart attack in 1970. He retired from Metropolitan Nashville Public Schools on April 23, 1971.

He was a member of Holy Trinity Episcopal Church, member of the Vestry, member of the Choir, and was a Lay Reader for seventeen years. Mr. Jackson was a charter member of Bordeaux North YMCA; served on the Board of Directors of the Nashville Urban League and South Street Center; member of the Board of Commissioners, Metropolitan Development and Housing Agency; member of the Board, Grace M. Eaton Day Home; Life Member of the National Education Association, National Association of Secondary School Principals, Tennessee Retired Teachers Association, Omega Psi Phi Fraternity; member of NAACP, the Alumni Association of Tennessee State University, Phi Delta Kappa (George Peabody College Chapter), 33rd Degree Mason, and Frontiers International..

The death of Mr. Jackson ended a chapter in the history of education where he left his imprint on the lives of many students. He was a legend; he possessed the drive, the energy, the courage, the determination, the almighty will, and the Grace of God which characterized him as having marks of an educated man.

He was a man for all seasons. He was a “tough boss” who could be abrasive, but one knew he was a teacher with a mission. Mr. Jackson was king of all he surveyed and no one seemed to have ever doubted it. Mr. Jackson, as has been noted, was a legend in education — and legends tend to live on in the minds of those who remember. He has now passed the torch to a new generation.

CAMERON HIGH ALUMNI ASSOCIATION

HISTORY OF THE ORGANIZATION

The Cameron High Alumni Association was created on the second Friday of June, 1986 at the Hilton Airport Inn after the former Cameron High School Faculty Luncheon (now the Annual Fellowship Luncheon). A group of former students began to discuss how they could perpetuate the memory of Cameron High School and of our beloved principal, O. R. Jackson. This founding group was comprised of Harry Beamon, Jeanette Brown, Claude Cartwright, Julius Darden, John L. Fair, Eula Hendricks, Patria Haley-Howard, Josephine S. Jackson, Ronnie Johnson, Ronald Myles, Kenneth Southall, Charleene Spencer, Jimmy Wallace, Charles Watkins, and Evelyn Watson.

This core group formed the Cameron High Alumni Association with the purpose of creating a scholarship fund for descendants of Cameron High School alumni. The first elected officers in 1986 were Patria Haley-Howard, president; Harry Beamon, first vice president; Jewell Betty, second vice president; Rollie McAdoo, third vice president; Ronald Myles, treasurer; Claude Cartwright, Barbara Snell, and Bill Taylor, assistant treasurers; Ethel Rucker, recording secretary; Josephine Jackson and Kenneth Southall, assistant secretaries; Tonya Matlock, Evelyn Watson, and Barbara Williams, corresponding secretaries; Eddie Frierson, chaplain; Charles Watkins, assistant chaplain; Ronnie Johnson, parliamentarian; and Charleene Spencer, historian.

The association's first official meeting site was the conference room in Gentry Center on the campus of Tennessee State University. It is here that the groundwork was laid to establish what has become a vital and successful alumni association. The group's first mission was to establish fund-raising activities to build the scholarship fund. Thus was born the Blue and Gold Week-end. The festivities have historically occurred on the Friday, Saturday, and Sunday after Thanksgiving. In its first year, activities included the Blue and Gold Banquet at the Sheraton Music City Hotel, the Blue and Gold Ball at the National Guard Armory, and Sunday Worship Service at Mt. Ararat Baptist Church. For some years the Birdland Revue extended the Blue and Gold Week-end, parading extraordinary talent, old and new.

The Blue and Gold Ball has been the major fundraiser for the CHAA. For the first nine years, the ball was held at the National Guard Armory or the Municipal Auditorium. Most recently, for nine years, the Millennium Maxwell House Hotel has hosted the ball. In 2010, to lend an added air of elegance and to provide additional monies to the scholarship fund, the dinner/dance was held at the Sheraton Music City Hotel.

The following alumni have served as president of our organization: Patria Haley-Howard, 1986-89; Harry Beamon, 1989-91; Claude Cartwright, 1991-93; Josephine S. Jackson, 1993-95; Tonya Chavers Frierson, 1995-97 and again from 2004-06; Jalilah Haqq (Jewell Betty), 1997-2000; Eula Hendricks, 2000-04; Shirley Edmondson, 2006-08; and Charles E. Watkins, 2008-present.

The organization has taken on, or has been a part of, many activities in its twenty-four-year history, including spearheading the naming of the Hull-Jackson Montessori School, and providing assistance to both the Hull-Jackson Montessori School and to Cameron Middle School. The CHAA has sponsored a bus trip to Atlanta, GA and a cruise to the Bahamas. In 2003, The CHAA donated a picture of Mr. H. A. Cameron and awarded a \$1,000 scholarship to Cameron Middle School. This was the year that the association opened its Archives, or Alumni Room at Cameron Middle School.

Continued on p. 4

Continued from p. 3

This room has become a virtual treasury of rare Cameron High School memorabilia and is the current site of CHAA meetings, both regular (second Tuesday of each month from September-June) and special. The Alumni Room also hosts the Cameron football brotherhood that meets once a month.

In past years, the CHAA has hosted and directed a Gospel Extravaganza, bringing together local churches and choirs to benefit Cameron Middle School. The Cameron singers, led by Mr. Leonard H. Morton, were another by-product of the CHAA. This group formed an important nucleus of what is now the Pearl Cameron Community Choir, which, under the continued direction of Mr. Morton, celebrated its 10th anniversary in 2010. The CHAA is responsible for the designation of the Cameron facility as an historical monument and therefore part of the National Register; as such, it cannot be destroyed.

More recently, CHAA military veterans participated in the Veterans' Day Celebration at Cameron School (in the 2008-09 academic year). The CHAA hosted its first annual Spring Fling in late May 2009 on the Cameron football field, and will continue to hold this event in future years to benefit the scholarship fund. Also in 2009, the CHAA achieved nonprofit, tax exempt status, a long-sought accomplishment that will significantly reduce costs and increase revenue.

The Lifetime Membership list of the CHAA has reached almost 300 to date. The CHAA continues to actively seek contributions of \$100.00 from Cameron alumni and friends to increase the size and the force of this crucial group. The *CHAA Newslink*, published three times a year, is distributed to all lifetime members. Our official website is www.cameronalumni.net.

The CHAA has awarded over \$100,000 in scholarships during its twenty-five years. The fund is named after O. R. Jackson, who served as principal for most of the 15 years of Cameron High School's existence (1957-1971). Our organizational focus is to provide educational/financial assistance to deserving young men and women, to foster fellowship, unity, and support among our membership, and to perpetuate goodwill among those we touch. We hold closely to our hearts our motto, because the Cameron High School experience is precious and unique: "MANY IMITATE, BUT NONE CAN DUPLICATE."

*Monthly payment for the first year is calculated based on the note rate minus one percentage point. In this example, the monthly payment is based on 3.00% with Fifth Third paying the difference.

The mortgage rate discount is available on new fixed rate purchase mortgages only and is not available on bond, rural housing, investment, construction to perm or lot programs and expires on 12/31/11. Payments do not include amounts for taxes and insurance premiums. The actual payment obligation will be greater. Above estimate assumes 20% down payment, no private mortgage insurance and that secondary financing is obtained when necessary. APRs are based on average closing costs of \$1,347.00. Subject to credit review and approval. This is an estimate. Terms including rate, monthly payment and maturity date may vary. Actual loan terms may be different as prepaid finance charge and closing costs vary by location. Payments are based on interest rates as of 11/1/11 and are subject to change without notice. The interest rate and payment disclosed in this flyer are valid provided interest rates are the same upon acceptance of this offer and that the required conditions are met. Fifth Third Mortgage Company, 38 Fountain Square Plaza, Cincinnati, OH 45263 an Illinois Residential Mortgage Licensee. Fifth Third Mortgage is the trade name used by Fifth Third Mortgage Company and Fifth Third Mortgage-IL, LLC. Fifth Third and Fifth Third Bank are registered service marks of Fifth Third Bancorp. Member FDIC. Equal Housing Lender.

Remarks from brochure chairperson

It has been an honor and a privilege for me to serve as chair of the brochure committee of the Cameron High Alumni Association. The members of this committee are to be commended for the time and energy put into this project. They have worked tirelessly to make the brochure one to be proud of and representative of the Cameron spirit. Additionally, I want to thank each individual member of the organization that worked with us to make this a success.

We also owe a debt of gratitude to the many individuals and businesses that purchased ad space and advertisements in this brochure. Many of you have been contributors for several years and we are eternally grateful for your continued support. To help support your businesses, we encourage our alumni and friends to patronize you as much as possible.

The sole purpose of the Cameron High Alumni Association is to give back to the community through the O.R. Jackson Scholarship Fund. Therefore we solicit each alumnus to become a lifetime member and become active in the organization.
